## **EXHIBITOR INFORMATION**

**Obstacles:** Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility.

**Crating Space:** Limited with no ex-pens allowed. Crate in designated areas only.

**Warm-Ups:** The warm-up area contains a regulation agility jump and is available to all exhibitors.

**Dogs Eligible to Enter:** As it states in the Regulations for Agility Trials, Chapter 1, Section 3, All dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number, or approved Foundation Stock Services (FSS) breeds are eligible to participate except bitches in heat, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. Dogs or registerable breeds with accepted foreign registration numbers are eligible to participate.

**Safety/Behavior:** The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. Exhibitors are responsible for ensuring that their dogs are in the proper physical and mental condition to run safely.

**Liability:** It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor, exhibitor's dogs and/or children that create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the club or any official thereof.

**Course Maps:** Course maps will be emailed to the exhibitors the morning of the trial, as well as posted on the [agilityscores.com](http://agilityscores.com) website.

**Leashes:** All dogs must be on leash at all times when on the trial grounds except when in the designated warm-up area or competing on the course. While running, there are two options:

Option 1: The Leash Runner will use a "grabber" to move your leash to the end of the course. Your leash will be placed in the bucket.

Option 2: You can place your leash in your pocket, around your neck, or around your waist per AKC. If the dog grabs the leash while running, this will be scored as an "E".

**Ringside:** Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise they must be available for measuring prior to the start of their class. All dogs not needed for further judging may leave the trial. Judges are not required to wait for dogs. The owner of each dog is solely responsible for having it ready at ringside when it is to be judged.

**Food:** Food and drink will be available for workers/volunteers at this trial. There are also several fast food and restaurant options available within a short drive.

**Agility Gate App:** The Agility Gate App will be used at this trial for check-in. The app is available on iOS and Android. We will be using this app and it will be projected on a TV by the gate entrance. You will still be able to check in if you do not have your own device, but it is highly recommended to use your device to reduce crowding by the gate.

## **Class Changes Effective January 1, 2020**

### **Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

### **Entering For Exhibition Only (FEO)**

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

### **Fix and Go On (FNG)**

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.
